
R-TB8 Full-range Speaker System

Part Number: R-TB8

DESCRIPTION

To find the RetroSound® speaker for your vehicle, use our vehicle search at the top left of this page.

The RetroSound® R-TB8 is a ported full-range speaker enclosure. These wedge shaped speaker boxes work great behind the seats of trucks, SUV's, hatchbacks and coupes. They feature an 8-inch bass driver for great low frequency response and soft-dome tweeters for smooth, clear highs. They are finished in a durable gray carpeting and have chrome speaker terminals. Power handling is 175 watts. Price is per two speaker boxes, one for the driver's side and one for the passenger side.
